

PonyUp Santa Barbara Liability Release

PonyUp Santa Barbara is pleased to offer pony camps and pony weekend playdates. We have more than two decades of horse training, showing and handling experience. We want you to have a safe, enjoyable and memorable experience. Oliver, the pony, has entertained in many events including parades, horse shows, school functions and parties donated to local non-profit group silent auctions. Dolly and Spitzer are miniature horses who are also very manageable and fun to interact with. Petunia is a darling small pony, and an expert in her field. She has helped start many children in their early riding careers.

Nonetheless, events involving live animals can involve risk. No matter how well trained, a horse or pony may react unpredictably at times based on instinct, fright or provocation.
